WHY EXHIBIT?

The 2025 Runners Expo is one of the key components of the Nike Melbourne Marathon Festival. It takes place on the external concourse of the iconic Melbourne Cricket Ground, running from Thursday 9th October until Sunday 12th October 2025.

With an anticipated attendance of over 45,000 competitors and 60,000 spectators, the four-day Runners Expo is set to be an unmissable event. Capitalizing on the booming Health and Fitness industries, the Expo offers a prime opportunity to showcase your products and services to a vast and enthusiastic audience.

The Runners Expo is FREE and open to the public, running in conjunction with the Registration and Race Pack Pickup—the sole location for participants to collect their bibs. This guarantees a high footfall of engaged attendees.

Our Expo has previously hosted exhibitors from across the country and overseas, including regional running events, cutting-edge nutritional products, performance eyewear, running socks, compression gear, and more. The diverse lineup makes it a hub of innovation and essential gear for runners and fitness enthusiasts alike.

A standout advantage for Sponsors and Exhibitors is the inclusion in the Digital Gift Bag, granting direct digital access to all registered participants. This unique feature extends the reach and impact of your brand, engaging customers both in-person at the event and digitally in the lead-up.

Don't miss the chance to be part of this vibrant event and connect with a thriving community of runners and fitness enthusiasts!
