

2026 NIKE MELBOURNE MARATHON CORPORATE TEAMS

PRESENTED BY BUPA

Where teambuilding and fundraising come together

WHAT IS A CORPORATE TEAM?

The Nike Melbourne Marathon Corporate Team Program offers a fantastic opportunity for workplaces to come together, challenge themselves, and achieve their fitness goals as a united team. Whether you're aiming to build stronger social connections, improve health and wellbeing, or foster a sense of camaraderie, this initiative provides a rewarding experience for everyone involved.

As part of your corporate team, you can choose from a variety of distances, including the walk, 5km, 10km, Half Marathon, or Full Marathon, ensuring that everyone can take part! There's nothing quite like crossing the finish line together as a team. Completing a marathon or any of the race distances is an achievement to be proud of, and it will create lasting memories that your team can cherish, no matter their fitness level.

CORPORATE TEAM BENEFITS

- Access to sold out events
- Account management
- Invoiced for event entries
- Strengthening team bonding creating drive towards a common goal!
